NOTICE OF FILING AND HEARING

DOCKET NO. 2006-92-WS

CAROLINA WATER SERVICE, INC. – APPLICATION FOR ADJUSTMENT OF RATES AND CHARGES FOR THE PROVISION OF WATER AND SEWER SERVICE

Carolina Water Service, Inc. (CWS or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of the Company's rates and charges and modification of certain terms and conditions for the provision of water and sewer service. CWS is a public utility, as defined by S.C. Code Ann. § 58-5-10(3) (Supp. 2005), providing water and sewer service to the public for compensation in certain areas of South Carolina pursuant to rates approved by the Commission in Docket No. 2004-357-WS.

Pursuant to S.C. Code Ann. § 58-5-240 (Supp. 2005) and 26 S.C. Code Ann. Regs. 103-712.4.A and 103-512.4.A (Supp. 2005), the Company requests that the Commission approve an increase in its monthly water and sewer service.

In support of its request for an adjustment in the Company's water and sewer rates, terms and conditions CWS asserts, among other things, that the proposed water and sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, comply with standards and regulations set by the Department of Health and Environmental Control and other governmental agencies which regulate the environmental aspect of the Company's business, and earn a reasonable return on its investment and attract capital for future improvements. The Company also asserts that the proposed water and sewer rate increases are necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality services.

THE PROPOSED CHANGES IN THE RATES AND CHARGES ARE SET FORTH BELOW
(The complete rate schedule is available from the Company at the address below and on the
Commission's website at www.psc.sc.gov)
